**PRICE RISE NOTIFICATION – EFFECTIVE APRIL 1ST 2019**

Dear Valued customer,

Due to a technical error in our system, we have acknowledged that our price rise notification did not reach our valued clients as intended in a timely manner. We apologize for this inconvenience and have delayed the rise to be effective as of April 1<sup>st</sup> 2019.

The price rise is 7% and will be implemented as of the 1<sup>st</sup> of April 2019.

Over recent times we have been able to absorb many increases in raw material costs, general cost of business and partner supplier increases.

Unfortunately we cannot continue to absorb these costs.

We appreciate your ongoing support and understanding. We have attempted to keep the rise as low as possible to continue providing you with valued and competitive prices.

It would be appreciated if you can pass this notification on to all relevant parties within your organization to avoid pricing discrepancies beyond April the 1<sup>st</sup>.

Kind regards

N.A.W. Controls Pty Ltd.
